The source added that Moore, 35, is "in trouble" over the impending divorce, with the source adding that Moore "really is." Moore has been in a roller coaster relationship with Hoppus for years, the source revealed. "Mandy and Jamie had a rough time when they first got together and there was some cheating and drama. MILWAUKEE — Mike Gianfrancesco, 30, says the discovery of his Uncle Tony, a World War II veteran, sitting in a Milwaukee park with a letter in his hand has given him purpose. "This is something my Uncle Tony always said he wanted to do, to show all of the people back home what they would have missed out on," said Gianfrancesco. Gianfrancesco said he doesn't know where his uncle is from, but he learned that he served in the Navy on the USS Mayflower and graduated from the University of Wisconsin-Milwaukee. "I was pretty touched by it," he said. Gianfrancesco said he started finding clues online. "I was pretty sure he's from Wisconsin, so I googled Wisconsin vets," he said.
